

with/out modernity

decolonialfutures.net/congress2019
2-6 JUNE, FORT CAMP LOUNGE, GAGE TOWER
installation and series of workshops and conversations

June 3 Colonialism as the trauma of separability

08:00 -12:30 body attunement and affective stretchings workshops
13:30 - 19:00 fishbowl conversations: on being and separability; on petro-capitalist modernity; on settler-colonial relations

June 4 The difficulties of affective interruptions

08:00 -12:30 body attunement and affective stretchings workshops
13:30 - 19:00 fishbowl conversations: problematizing representation, inclusion and appropriation; problematizing artistic and curatorial practices; problematizing critical pedagogies and emotional labour

June 5 Experimentations in getting one's act together

08:00 -12:30 body attunement and affective stretchings workshops
13:30 - 20:00 fishbowl conversations: gesturing beyond representation; gesturing beyond colonial hope; closing circle: towards the end of the world as we know it

June 6 Exploring antidotes to indifference

10:00 - 13:00 / 14:00 - 19:00 Radical tenderness and co(m)passion workshop

hosted by: vanessa de oliveira andreotti; elwood jimmy; shawn van sluis; denise ferreira da silva; sandra semchuk; cash ahenakew; sharon stein; miguel piña **with support from musagetes.ca**

This installation and series of artist/scholar conversations and workshops invite participants to consider what infrastructures and architectures of knowing and being operationalize the denial of relational entanglement, foreclosing possibilities for orienting our existence otherwise.
